

MEET THE BAND . . . IDYLLIC are an unsigned young Rock 'n' Roll Band formed in 2022. Niall Doolan - lead vocals and Ben Rogers - guitar met at school and through mutual friends in the local music scene they began writing together. The bands signature sound soon developed when Josh Peters - Bass, Meg Lee - Lead Guitar and Joe Keech - Drums completed the line - up.

At the end of 2022, they released their debut single, 'Narcissist' which was well received by fans and critics alike. IDYLLIC have played extensively ever since and recently sold out 2 100+ headline shows in Liverpool and Manchester.

IDYLLIC continue to write and record new music and released their first EP- 'Five x Five' on the 7th June 2024.

Their catchy melodies, intricate instrumentation, stellar playing and energetic live performances have made them a must-see live band.

IDYLLIC have a busy summer ahead with a return to Camden at the end of June, Kendal Calling and Brit Fest dates and further recording to name but a few of the diary entries.
