

MEET THE BAND . . .

IDYLLIC are an unsigned young Rock 'n' Roll Band formed in 2022. Niall Doolan - lead vocals and Ben Rodgers - guitar met at school and through mutual friends in the local music scene they began writing together. The bands signature sound soon developed when Josh Peters - Bass, Meg Lee - Lead Guitar and Joe Keech - Drums completed the line - up.

At the end of 2022 , they released their debut single, 'Narcissist' which was well received by fans and critics alike. IDYLLIC have played extensively ever since and are now starting to garner a loyal following.

IDYLLIC continue to write and record new music and release their fifth single - **'Everybody Wants To Know'** on the 12th April 2024. Their catchy melodies, intricate instrumentation and energetic live performances have made them a favourite among venue booker and promoters.
